**Criteria for Residency/Rental Application  
United Community Action Network (UCAN)  
Affordable Rental Program**

**Please remove and keep the first 2 pages for your records.**

The following Residency Criteria has been developed but may change at any time without notice to any party other than the property management agent.

**UCAN does not offer emergency or immediate housing.**

**The Criteria is as follows:**

**Maximum Yearly Income Allowed at 50% of Median Income as follows:**

1 person – \$19,250   2 people – \$22,000   3 people – \$24,750  
4 people – \$27,450   5 people – \$29,650   6 people – \$31,850

**Applications:** Applications are to be mailed or hand delivered to United Community Action Network (UCAN), 280 NE Kenneth Ford Drive, Roseburg, OR 97470. Applications may also be emailed to [paula.williams@ucancap.org](mailto:paula.williams@ucancap.org) or faxed to 541-492-3920.

Submit a completed application. In order to be considered complete, all blanks must be filled in for the Primary Applicant. Each additional adult 18 years and older must fill out their own Co-Applicant section. The questions on the first page help us determine which of our properties and specific units you may qualify. The application must be signed by all household members 18 years and older.

If help is needed to complete the application, let us know and arrangements will be made to assist you.

**Waiting List:** - The date and time your application is received sets your priority. To be placed on the waiting list for an apartment and/or house, a completed and signed application must be submitted. Once received, a notice indicating complete/incomplete status will be sent. **Incomplete applications will have ten (10) days to be completed from the date of the notice. If not completed within ten (10) days, the application will be removed from the waitlist.**

You will receive a written notification indicating your initial eligibility, or ineligibility based upon the application you submitted. If deemed ineligible, the notice will give specific reasons for the ineligibility.

**How to contact us:** You may reach us by phone Monday through Friday, 9AM to Noon and 1PM to 5PM at (541) 672-3421 or 1-800 301-8226. A message may be left after hours on the voice mail.

**Your Responsibility:** It is important for you to give us some way to contact you, i.e. a message phone and mailing address. An application that states ‘homeless’ as the address and no phone number listed is useless to us. **You will not be placed on the wait list if we have no way to contact you.**

It is important to keep us current on your phone number and address should they change from the original application information. If we cannot contact you, you may be removed from the waiting list.

Three times a year update cards are sent out to ask about your interest in staying on the wait list. **It is your responsibility to mail back your response in the allotted time or your application will be removed from the list.**

UCAN has various types of housing including transitional housing with a maximum stay of 2 years, permanent housing and program housing with a case management requirement. Most of the housing is subject to the 50% of median income limits. There are a few units that are considered market units and have no income restriction. Each property may have a specific priority of who lives there. UCAN has affordable permanent housing for families that have an adult that has a chronic mental illness. There is transitional housing and permanent housing for previously incarcerated single individuals as well as permanent housing for families that at least one of the adults has previously been incarcerated. There is also transitional and permanent housing for individuals and families in recovery. Most of UCAN housing has a homelessness requirement.

Units will be filled on 'first come first served' basis. Current tenants in transitional housing will have a priority to the next available permanent housing unit.

### **Tenant Screening and Selection Criteria:**

1. Gross annual income cannot exceed income requirements on page one. Some units have income limits that are less than 50%. For those specific units, the income cannot exceed the limit set for the unit at move-in.
2. Applicants are required to provide the current and at least one previous verifiable landlord reference (for a total of at least five years occupancy), which must be listed on the application. References must include mailing address, including zip code, and telephone number and area code. Landlord references must indicate previous satisfactory residency. If you have never had a landlord, or ever been a renter, options will be explored on a case-by-case basis.
3. Applicants are required to provide current and at least one previous verifiable source of income and/or employment reference (for a total of at least six (6) months), which must be listed on the application.
5. Applicants must give permission for release of information regarding eviction history, unpaid collections or judgment information, and criminal history, which are obtained from public records.

Any applicant that is a current illegal drug abuser or addicted to a controlled substance or has been convicted of the illegal manufacture or distribution of a controlled substance may be denied residency.

Any applicant whose residency for any other reason would constitute a direct threat to the health or safety of the individuals or whose residency would result in substantial physical damage to the property of others will be denied residency. Criminal background checks will be conducted and convictions of such offenses that could directly affect the safety of other residents or the rental unit may affect the outcome of your application.

**Failure to meet any of the above criteria shall result in denial of the application. Incomplete and/or unsigned applications will not be considered. Inaccurate or falsified information will be grounds for denial of the application or subsequent termination of residency upon later determination of information being falsified.**

If the applicant is unable to meet the criteria regarding credit requirements or landlord references listed above, the applicant **may** be offered the opportunity to provide a guarantor (co-signer) who would assume liability for the credit and performance of the applicant. These two areas may also be considered if an acceptable case management plan is in force to address these areas of credit and landlord references. This will be determined on a case-by-case basis.

## **Applicant Processing for an available unit:**

### **To become a tenant you must:**

Keep any scheduled interview appointment, be on time and bring the information that will be requested.

1. Provide positive identification of all persons who will be a part of the household (i.e. adults - driver's license/picture I.D.; all household members - social security card; and children under 18 years – proof of birth date, i.e. birth certificates/hospital records, etc.)
2. Provide documentation of all income and assets. Such as: paystubs, awards letters, income tax forms, bank statements.
3. Provide release of information authorization to allow third party verification of the income, assets and landlord references you have declared on the application.
4. In transitional housing, sign Release of Information forms for Case Management Referrals for the community partner agencies you currently work with and then meet with the case manager to talk about program requirements.
5. The final step in the application process will be a credit/criminal check to verify information on the application. All applicants are required to have management run a credit report. Each applicant is required to submit separate credit applications and be screened separately. Each applicant must qualify individually. A \$30.00 fee will be paid by each applicant for credit, criminal and landlord checks for the state of Oregon. Criminal checks will be performed for each additional state an applicant lived in as an adult. (an additional charge)
6. Wait to be notified that the application review process is completed. You will receive a phone call to schedule a lease signing appointment if your application is accepted or a written notification of denial of your application via mail.

## **Move-In Process:**

### **Once your application is approved and you accept the unit, you will be required to:**

1. Sign the income calculation form.
2. Sign a rental agreement in which you agree to abide by all the rules and regulations.
3. Sign the Rules and Regulations and all other addenda.
4. Pay the Refundable Security Deposit.
5. Pay the first month's prorated rent in advance. (Rent is always due on the first of the month, no exceptions.)
6. Immediately have utilities (electricity, gas, water as applicable {cable/phone optional}) placed in your name. (This can be done from the property manager's office.)
7. Together with the manager, do a move in inspection of the unit (this will be written) and an emergency response orientation.
8. No pets will be allowed. Medical needs animals will be considered with appropriate verification.

# UNITED COMMUNITY ACTION NETWORK

## Customer Complaint and Appeals Process

United Community Action Network is committed to providing appropriate services free from discrimination because of race, color, age, religion, national origin, political or union affiliation, marital status, veteran status, association with anyone of a particular race, color, sex national origin, marital status, age or religion, sexual orientation, family relationship, physical disability, or mental disability. UCAN is committed to customer service free of verbal or physical harassment.

We recognize that many concerns, problems or complaints are due to a lack of information, misunderstanding or a faulty communication system.

Some programs offered through UCAN, such as Low Income Energy Assistance Program (LIEAP), are required by law to inform customers of their rights to ask for a fair hearing if they are denied service or if their application is not processed with reasonable promptness. Hearings processes for these programs are specific and prescribed by the funding source. Copies of those processes are available at time of specific program intake.

In all other cases, if you have a concern or complaint, the following is the process that must be followed to achieve resolve. Each step will be accomplished within 10 working days. You may request an observer be present at the meetings.

### Step

1. Identify the problem and the solution you feel is necessary. Write your concern or complaint out with enough detail to identify and clarify the reason for the concern/complaint and what needs to be done to satisfactorily resolve your complaint.
2. Within 10 working days of the event which caused your complaint, request an appointment with the person responsible for your complaint to review your written information or request an appointment with the person's immediate supervisor to present your written information concerning your complaint.
3. Within 1-working day of the request for the appointment the person responsible for your complaint and/or the supervisor will meet with you so that you may share your written information with them. UCAN will make a copy of your written information for you.
4.
  - a. If the problem is resolved, a memo to that effect will be drafted by the staff member involved at the closure of the meeting. The memo will be signed by both parties and forwarded to the Executive Director. The complaint will be considered closed.
  - b. If the problem is not solved go to step 5.
5. Within 10 working days, submit your written concern/complaint to the Program Director or if the Program Director is the person directly responsible, submit your concern/complaint to the Executive Director. Add to your written statement date and time and the name of the person with whom you met and why, in your opinion, the issue was not resolved. **IN THE CASE OF HEAD START FOLLOW THE OFFICIAL CHAIN OF COMMAND.**
6. Within 10 working days, the Director will contact you to discuss the matter. If a staff member is involved the Director will discuss the matter with that person. If the Director is unable to resolve the concern/complaint, it will be forwarded to;
  - a. in the case of a Head Start concern/complaint, to the Head Start Policy Council Administrative Committee or,
  - b. to the UCAN Executive Director
7. The Policy Council administrative Committee or Executive Director will attempt to resolve the concern/complaint through consultation with the people involved to gather all relevant information concerning the problem.
8. If the concern/complaint can not be resolved by the Administrative Committee or the UCAN Executive Director and a hearing is requested; the Executive Director will notify the Board President who will call a UCAN Board of Director's

Executive Committee to review the information and to appoint a Hearings Officer to address this concern /complaint only. The Hearings Officer must be someone not involved in the cause of the concern/complaint.

Hearing Conditions:

1. All Hearings:

- a. must be held in a place convenient for the customer;
- b. must allow the customer to review the case file;
- c. must have a hearing officer who was not involved in the initial cause of the concern/complaint;
- d. must allow testimony
- e. must be recorded and any decision determined on that basis;
- f. may be conducted via telephone conference call.

2. Hearing may include:

- a. Statements from persons called by you to present evidence to support your concern/complaint. They may present their testimony in written form or in person.
- b. Hearing Officer may call witnesses or ask for statements by others if it seems relevant to the problem.

3. A summary of the hearing will be made, and you will be given an opportunity to review it. You may submit a written exception to the summary and it will be added to the final written decision. Hearing Officer will make the final decision. All people involved will receive written notice of the decision.
