What Happens Next?

When we receive your pre-application:

- ➔ An intake worker will call you and set up an eligibility interview (unless done when you turned in the app)
- ➔ At the interview, we will collect the required documentation and complete the application process
- ➔ When we have an opening for your child, we will contact you to complete the registration process
- ➔ You should make sure that your child's Well Child/Baby Checks, Dental exams (HS only), and Immunizations are up to date or scheduled

What to Bring to the Intake Appointment

We MUST have the ★ Red Starred documents listed below to process the application. Bring these to the interview

- ★ **INCOME:** We need proof of income as outlined on the Family Income Worksheet
- ★ **PROOF OF BIRTH/PREGNANCY:** Include birth certificate or other legal document *with the child's name and date of birth printed. If you a pregnant mother, please send a doctor's note or other form of verification of pregnancy*
- ★ **SHOT RECORD:** Please send your child's shot record, it's Head Start's expectation that all shots are up to date
- ➔ You may bring in these items to intake or return at a later date. We are able to process the application without them:
- ➔ **Community Referral:** If a doctor, service agency or other has written a referral, please attach or have them send it in.
- ➔ **Medical Diagnosis:** If applying pregnant mom or applying child diagnosed with chronic condition include documentation.
- ➔ **Legal Documents:** For custody, power of attorney, restraining orders or any pertinent legal actions, send documents.

What is Head Start?

Head Start is a comprehensive **preschool** program serving families with low-income. Children receive education services to increase their school readiness. Parents are assisted in overcoming barriers to self-sufficiency. Head Start works with the entire family and offers all family members opportunities to develop to their full potential. We provide a positive, respectful environment for growth and awareness for both parents and children. UCAN Head Start serves families in communities throughout Douglas County with children ages 3 and 4 by Sept. 1, 2017.

What is Early Head Start?

Early Head Start provides 2 options: **Home-Based** service which provides service through weekly home visits. The home visitor provides child-focused visits promoting the parents' ability to support the child's development. Twice a month, the families come together as a group for learning, discussion, and social activity. **Center-Based** service is designed for families who have both parents working outside the home, actively seeking employment, in school or in recovery programs. Children receive 6.25 hours of care and instruction during the work week. Parents self-transport their children to the center. In both programs, parents are assisted in overcoming barriers to self-sufficiency. Early Head Start works with the entire family and offers family members opportunities to develop to their full potential. We provide a positive, respectful environment for growth and awareness for both parents and children. UCAN Early Head Start serves the families of pregnant moms and children aged zero-three in communities throughout Douglas County.

What is Healthy Start?

One of the services provided to families at UCAN Head Start and Early Head Start is **Healthy Start**. The goal of Healthy Start is to improve the health of families before, during, and after pregnancy. Healthy Start is designed to educate and link families with resources in the community. We can help connect you with...
